Hi Everyone,

I enjoyed catching up with many of you at the Whangarei Patchwork and Quilting Club's exhibition last weekend. Nick and I enjoyed demonstrating the Bernina Q20 and Q24 to so many people. Congratulations to those brave enough to be hands-on on these wonderful machines! While I love the stand-up Q24 for my quilting, the benefits of the long throat space and stitch quality of the sit-down Q20 for free motion quilting, ruler work and thread painting is phenomenal.

We have the Q20 in store for a couple of more weeks, so if you would like to experience it again please make an appointment with Nick or Sandy for some dedicated time with you.

Just \$9999 until 13 May 2018
