

August 2018 Newsletter

Hi Everyone,

The final winter month has arrived with lovely sunshine! I love the idea that spring is nearly here. I'm always heartened when I see the bulbs flowering in the garden and spring lambs bouncing in the local paddocks.

August will see the Spring sewing clubs beginning – check further into the newsletter for the dates, and if you haven't already confirmed your attendance please let us know as soon as possible as these clubs fill very quickly.

2018 Bernina Northland Fashion Awards

Details and entry forms for the 2018 Bernina Northland Fashion Awards are available from our website.

Consider one of our new categories – **Avante Garde** Fashion on the cutting edge, favouring or introducing new and experimental ideas and methods in fashion and/or garment construction. This is an opportunity to design and make a garment that is truly original, following no other designer. Judges will be looking at fit, originality, innovation in fashion and the overall finish of your garment. This category is open to all ages

Please come in to talk with us if you have questions about what you would like to make and how it may fit into the various categories.

Bookings for attending the event are through Ticketek based at Forum North
