## February 2020 Newsletter

Hi Everyone,

I sincerely hope everyone had some wonderful family time over the Christmas / New Year break. I know our family and friends certainly did 😊

I also took the opportunity to create samples for exciting new classes for 2020. And then I got sick for 2 weeks, so I had a delayed start back at the store. However, we are all back on-board now and working hard. It has been wonderful to see so many of you bringing in projects that you have worked on over the break time too – we love to see show-n-tell!

### February 2020 is Horn Furniture Month.

All our Horn furniture and chairs are on special for February with 10% discounts.

The ever-popular **Kensington Unit** with storage, cutting table and recessed flat top sewing area.

I love the **Height Adjustable Table** with the flip top that we have in store.

I am delighted with my **Foldaway Table**. It supports my big Bernina 790 perfectly giving me lots of flat sewing space.

And don't forget the fabulous **Horn Chairs**

**All special prices are available until 29<sup>th</sup> February 2020**
